

White Magic Ritual to Find an Internship

Required Ingredients:

1. A white candle
2. A clear quartz crystal
3. A blank sheet of paper and a feather with green ink
4. Some fresh basil leaves
5. A white fabric pouch

Ritual Steps:

- **Preparation:** Find a quiet place, ideally at twilight. Arrange all the ingredients in front of you, aligned in a circle.
- **Invocation of Light:** Light the white candle and place the clear quartz crystal at its base. This will serve to channel positive energy from the universe.
- **Writing the Wish:** With the feather, write your wish on the blank sheet of paper: "I wish to find the perfect internship that will allow me to grow and learn."
- **Latin Incantation:** Hold the paper in your right hand and recite:

*Opportunitatum portae aperiantur,
Per hanc magiam, viam meam illuminetur,
Stagium perfectum, nunc veniat ad me,
Per hanc incantationem, fiat ita esse.*

- **Basil Offering:** Sprinkle the fresh basil leaves onto the paper with your wish. Basil is a symbol of success and protection.
- **Placing in Pouch:** Place the paper and crumbled basil into the white fabric pouch. Keep this pouch with you, in your backpack or near your bed, until you find an internship.
- **Closing the Ritual:** Gently blow out the candle and thank the universal forces for their guidance. Keep the quartz crystal with you as a charm of luck.
