

Unidentified light spotted in Rangely, Colorado

On August 11, 2019, a witness noticed a **strange bright light** in clear sky over Rangely, Colorado.

Eyewitness statement:

“I was coming home from grand junction midday, clear skies. i noticed in the sky and keep watch as i drove up hwy 139. as i continued to watch i noticed it was following me. at one point i stopped and got out of my vehicle and it stopped moving. thats when i took the picture. i got back in and continued to drive home keeping an out for it. a i drove it continued following me then all of a sudden it was gone. never saw it again.”
