1. Preparing the Space

Light the incense and place it near the candle. Set the photo or your pet’s item in front of you. Pour the water into the bowl and place the feather beside it.

2. Lighting the Candle

Close your eyes, take deep breaths, and focus on the image of your lost pet. Visualize them safe, surrounded by white light, and guided back to you.

Light the candle and say:

> **"By pure and divine light,**
> **I call upon you, [pet’s name], may your path to me be clear.**
> **May the guiding spirits lead you,**
> **And may our bond remain unbroken."**

3. Latin Incantation

Hold the feather over the candle’s flame, then gently dip it into the water while chanting:

> **"Spiritus lucis et amoris,**
> **Duc [pet’s name] ad domum suam.**
> **Per virtutem naturae et divinae voluntatis,**
> **Redde ei salutem et pacem."**

Translation:
"Spirit of light and love,
Guide [pet’s name] back home.
By the power of nature and divine will,
Return them safely and in peace."

4. Closing the Ritual

Take the bowl of water and sprinkle it gently around you in a circle, saying:

> **"May this water cleanse and bring [pet’s name] back to me,**
> **Free from harm, free from fear, in love and serenity.**
> **So mote it be."**

Let the candle burn completely (or snuff it out while thanking the energies). Keep the feather and your pet’s item in a safe place until their return.
