

France - Top 10 Haunted Places in Béziers

Béziers is a city in southern France, located in the Occitanie region. It is known for its rich history and cultural heritage. But Béziers also has a darker side, with many stories of apparitions and paranormal activity.

Here are the top 10 haunted places in Béziers:

1. **The Oppidum d'Ensérune** : This Gallo-Roman archaeological site is said to be haunted by the ghost of a young Roman woman who was killed by her jealous lover. Her ghost is said to still wander the ruins, searching for her lost love.
2. **The Saint-Jacques Church** : This 12th-century church is said to have been the scene of many tragic events over the centuries, including executions and massacres. The ghosts of the victims are said to still haunt the church, and strange noises and apparitions have been reported on numerous occasions.
3. **The Municipal Theater** : This 19th-century theater is said to have been the scene of several fatal accidents over the years. The ghosts of the victims are said to still haunt the theater, and strange noises and apparitions have been reported on numerous occasions.
4. **The City Hall** : This 17th-century building is said to have been the scene of many important historical events, including assassinations and conspiracies. The ghosts of the former occupants are said to still haunt the city hall, and strange noises and apparitions have been reported on numerous occasions.
5. **The City Ramparts** : The ramparts of Béziers date back to the Middle Ages and have been the scene of many battles and sieges over the centuries. The ghosts of the dead soldiers are said to still haunt the ramparts, and strange noises and apparitions have been reported on numerous occasions.
6. **The Canal du Midi** : This 17th-century canal is one of the longest canals in Europe and has been the scene of many accidents and drownings over the centuries. The ghosts of the victims are said to still haunt the canal, and strange noises and apparitions have been reported on numerous occasions.
7. **The Polygone Cemetery** : This cemetery is the largest in Béziers and is home to the graves of many famous people, including writers, artists, and politicians. The ghosts of the people buried in the cemetery are said to still haunt the grounds, and strange noises and apparitions have been reported on numerous occasions.
8. **The Parc de la Convention** : This park is located in the city center of Béziers and was once the site of an abbey. The ghosts of the monks who lived in the abbey are said to still haunt the park, and strange noises and apparitions have been reported on numerous occasions.
9. **The Place des Martyrs-de-la-Résistance** : This square is located in the city center of Béziers and was once the site of a guillotine. The ghosts of the people executed in the square are said to still haunt the place, and strange noises and apparitions have been reported on numerous occasions.

10. **The Pont Vieux** : This medieval bridge crosses the Orb River and is one of the oldest bridges in Béziers. The ghost of a young woman who is said to have committed suicide from the bridge still haunts the place, and her apparition has been reported on numerous occasions.
