Ingredients:

1. One red candle
2. One white candle
3. A photo of your ex
4. Rose incense
5. A rose-colored stone (such as rose quartz)
6. A piece of parchment paper
7. A red pen
8. A red ribbon

Ritual Steps:

1. Choose a quiet place where you won't be disturbed. Place all the ingredients in front of you.
2. Light the white candle and the rose incense. These elements symbolize the purity of your intentions.
3. Sit comfortably, close your eyes, and take deep breaths to relax. Visualize yourself and your ex together, happy and in harmony.
4. Take the photo of your ex and hold it in your hands. Repeat the following phrase in Latin (this is a generic phrase, you can also create your own incantation):

   "Amor meus, reveni ad me, Cor nostrum iterum coniunge. Hanc preces accipe, diutius amabo."

   Translation: "My love, come back to me, Let our hearts join together again. Accept this prayer, I beseech you."
5. Place the photo of your ex under the red candle and let the candle burn until it completely consumes itself. This symbolizes the renewal of your relationship.
6. Write your ex's name on the piece of parchment paper with the red pen. Wrap the rose-colored stone in the parchment paper with your ex's name and tie it all together with the red ribbon.
7. Keep the rose-colored stone close to you as a talisman for rekindled love.
