

Inside Kenya's Christian Death Cult

The Unreported World investigation delves into a tragic event in Kenya, where an influential preacher, **Paul Mackenzie**, is accused of leading hundreds of people to their deaths. Symeon Brown tracks down survivors and families searching for their loved ones, trying to determine whether this was a case of mass suicide or mass murder. So far, 429 bodies have been exhumed from graves in Shakahola Forest, where Mackenzie's followers are believed to have starved to death, trusting the preacher's promise of protection from an impending apocalypse. Mackenzie denies any wrongdoing.
